THE FOLLOWING ARE OUR STARTING PRICES ON SEEDS FOR THE COMING YEAR.

We will book your order at these prices and keep the seed for you until March 1. Just mark on this sheet the number of units you would like for us to hold for you, send it into us, and you are protected against any price advance. Every year we have some who want to pay for their seed early so they can file on this year's tax return. Why pay an agent more for seed when you can buy direct from us at these lower prices? We buy direct from the producing areas in trailer loads which saves you money. It pays to plant good seed. All prices quoted are subject to change. **ORDER NOW.**
